ROLETARSTVO MEDLE,
MANUFACTURER OF
ROLLER SHUTTERS,
VENETIAN BLINDS AND
OTHER SHADING PRODUCTS
WITH A LONG TRADITION

~ Excellent relation between
price and quality ~

Finished products are sold through a widespread wholesale network in Slovenia and abroad. The showrooms in Novo mesto, Ljubljana, Jesenice, Croatia and Austria offer to to final customers all the products from the production program, which are custom made in accordance with customers' requirements. You can also view possible combinations of shades and insect screens, as well as learn about their installation.

Apart from selling finished products, we also wholesale and export components for shades. Both aluminium and PVC roller shutter slats, as well as many other components, are made in our own production program.

In our branch we enjoy a good reputation, in particular, we are known for the optimal ratio between price and quality.
