

Lamela za zunanje žaluzije

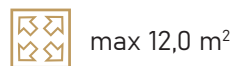

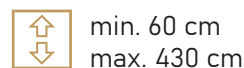

- **Ležišča** nove generacije za izboljšanje zapiranja
- **Trakovi 8 mm** za večje sile in boljše pokrivanje lukenj
- **Garancija 4 leta**

**Inox sponke
obračalke**
za daljšo
življenjsko
dobo

Technical drawing of a bent metal rod. The rod is shown in a side view, bent into a shape with three segments. The total horizontal length is indicated by a dimension line at the bottom, labeled "91,3 mm". The rod has circular ends, suggesting it is a pipe or tube. The drawing is a simple line sketch on a white background.

 min. 60 cm
max. 450 cm
